**Report on
'Eco-Friendly Holi Colour Making Workshop'
(2020-22)**

On 14th March, 2022 Department of Botany, in collaboration with Nature Club & IQAC organized 'Eco-Friendly Holi Colour Making Workshop' for the students. This is the regular activity of Botany Department, where in awareness program regarding 'Eco-Friendly Holi Celebration' is organized. The workshop was inaugurated at the hands of Dr. U. E. Chaudhari, Principal. IQAC Coordinator Dr. S.V. Satpute, Professor & Head, gave introductory speech on this occasion & talked about importance of natural colours. Dr. Chaudhari Sir gave his remark regarding negative effect of chemicals on life of human being. Dr. M. B. Bobade, Dr. S. S. Deshmukh also interacted with the students and spoke regarding cultural importance of Holi Festival. Dr. Mrs. N. A. Bodkhe, Head, Department of Home economics & Mr. V.N. Telmore, Director of Physical Education were also present for this workshop. Non-Teaching staff members of the Department Miss. Sandipani Makeshwar and Mr. N. S. Patil were helpful while organizing this event.

In this event Dr. Pranjali Deshmukh, Asstt. Professor in Botany demonstrated the technique of making Natural Colours by using various plant parts like flowers of Palas, Katsavar, *Hibiscus*, Rose, leaves of Spinach, fruits of *Basella*, and bark of Arjuna, etc.

The motto of this activity was to create awareness among the students regarding use of natural colors on this day. Mostly, the natural colors are made from plant materials. These colors are safer than chemically prepared ones.

184 students of B. Sc. (Biology) and B. A. (Home-Economics) actively participated in this workshop. Teaching and non-teaching staff members of the college also supported this activity. Dr. P. J. Deshmukh conducted the workshop. Dr. M. B. Bobade proposed vote of thanks.

Department of Botany

**Wildlife Week-2021 Celebration
Activity Report**

Department of Botany, IQAC & Environmental Cell jointly organized Wildlife Week-2021 from 1st to 7th October 2021. The objective behind the celebration of wildlife week-2021 was to create awareness about wildlife among the students & stakeholders of the institute. It also helps to educate people about man-wildlife conflict and measures to minimize the conflict etc. Organization of wildlife has shifted mind of human beings from 'Find & Kill' to 'Rescue & Release.'

With these objectives in mind, Botany Department decided to celebrated Wildlife Week-2021 by organizing following activities -

1) **Plantation and Seed Broadcasting** :- This activity was organized on 1st October. Teaching and Non-teaching staff members of the college including Botany Department participated in this activity. Saplings of Hadjodi (*Cissus quadrangularis*), waghate (*Capparis zuilanica*), Mango (*Mangifera indica*) and Date palm (*Phoenix sp.*) were planted in a protected area of Mahendri forest near Pusla village.

Seeds of Mango, Awala, Sitaphal, Gunj , Chinch were broadcasted in the same area after plantation.

2) **Online Medicinal plant photography Competition**:- This competition was organized on 3rd October for the college students of CBZ group only. Total 158 students participated in the competition. Three best photographs were selected for cash prizes of Rs. 501/- , 301/-, 201/-. Following students got prizes in this competition.

1. **Tejaswini Pramodrao Wankhade** (B.Sc. IInd Year)- *Mimosa pudica*- Fabaceae Family (Lajalu)
2. **Mangesh Subhashrao Kale (Ex-Student)** *Tridax procumbance*- Asteraceae Family (Kambarmodi)
3. **Ku. Pratiksha Nandkumar Wankhade**(B.Sc. IIIrd Year)- *Catharanthus roseus* – Apocynaceae Family (Sadafuli)

3) **Donation of Saplings:** - This activity was organized on 5th October to create awareness about plants & plantation. Staff members & Students donated plant saplings to their near and dear peoples.

4) **Online Wild Vegetable Exhibition:** - This competition was organized on 7th October to create awareness about wild vegetable a source of wild nutrition. Total 71 student took part in this event. Cash prizes of Rs. 501/-, 301/- & 201/- were given to the first three winners respectively.

1. **Ku. Monika Prakashrao Ingle (Ex-Student)** Karutle- *Momordica dioica* - Cucurbitaceae Family
2. **Ku. Tejal Vijayrao Fuse (B.Sc. IIIyear)**- Phandharfala -*Aerva lanata*- Amranthaceae Family
3. **Ku. Achal Sureshrao Bansle (B.Sc. IIYear)**- Kunjar -*Digera muricata*- Amranthaceae Family

Respected Principal, Dr. J. D. Wadate supported celebration of Wildlife Week- 2021 by permitting organization of above mentioned activities with moral support. IQAC Coordinator, Dr. S.V. Satpute, Professor Head, Department of Botany, guided the organizing committee for proper execution of activities. Dr. Pranjali J. Deshmukh, Assistant professor in Botany, worked as Organizing Secretary. While Assistant professor Dr. M.B. Bobade & Dr. Sharyu S. Deshmukh also extended helping hands during wildlife Week- 2021 celebration.

**Department of Chemistry
Extension Activities**

2021-2022

Every year Department of Chemistry Conducted Various Extension Activities. In the Year 2021-2022 Department runs "Cloth bags as an alternative for Plastic bags" Activity Successfully. As we all are aware about the Environmental Pollution, Plastic bags problems that are increasing day by day, So Department have Actively Participated and Conducted this activity. In Year 2021-2022 Chemistry Department distributed Cloth bags as a best alternative for Plastic bag which causes various Environmental Pollution, among the People in College. So, the People becomes aware about the health and environmental hazards due to use of this Plastic bag. In Year 2021-2022 Chemistry Department distributed approximately 25 Cloth bags.

This is very good Extension activities which are conducted by Chemistry Department every year. So, this helps us to limit the use of dangerous, Pollution causing plastic bags and in place of that People like to use Ecofriendly Cloth bags and such everyone can help and supports to reduce the problems of Environmental Pollutions.

also in addition to this department have prepared Good quality Sanitizers in the year 2021-2022. We know that The Whole World is suffering from Covid-19 Pandemics. This Pandemic becomes very dangerous to all human being which causes millions of deaths all over the world. So to minimize the effects of this Covid-19 Virus we all people have to follow some precaution because "Prevention is always better than cure". So we this need our Chemistry department have made good quality sanitizers in laboratory in the year 2021-2022 and distributed to students and college staff in free of cost. This Sanitizer is very effective toward infection by Viruses and bacteria.

Our PG Department (Chemistry) students participated in taking periods in various schools during the year 2021-2022. Our PG Department students went to nearby school and they taught to school students. PG Students took various periods in school on different topics of their syllabus. This becomes very nice Extension activities that our department does every academic year.
