Paper Bag Making workshop

2021-22

Home Economics department demonstrated on how to make paper bags on 26th April 2022. This demonstration has been delivered by Ku. Roshani Chaudhari as a part of the syllabus. The motto for this demonstration is to provide alternative for carry bags since it is hazardous for the nature. Such paper bags are significant for shopkeepers and as well as for household purpose. B.A. first year Students attended this program.

Cake Making workshop

2021-22

Home Economics department demonstrated on how to make cake on 9th May 2022. The motto behind this demonstration is to teach students about how to make cake and to do business out of it. Dr. Reena Bakale madam has delivered the demonstration and also provided information of recipe for the cake. Due to summer days, she made the mango cake and also stated that the cake can be made from the cooker as well and oven is not mandatory for the making of cake. The cake has been made of half kg of Maida which also includes baking powder, mango pulp, cashew nuts and gems. Home Economics students were present for this program.

Group Discussion of students

Home Economics Department organized group discussion on 26th April 2022. B.A. Part I, II and III students had participated in this discussion and divided into two groups. The subject of group discussion for the group 1 was 'Female Foeticide' and for the group 2 was 'Benefits of Joint and Nuclear Families'. In the discussion of Female Foeticide, group 1 has mentioned that even though the society is literate, there is the thinking that the male is heritage of the family. Also the doctors fall prey to this due to the money. The discussion has reached to the conclusion that Female Foeticide should be stopped and female should take onus of this so that to change the mentality of the society and the family.

In the discussion of 'Benefits of Joint and Nuclear Families', group 2 has agreed that both the families have their own pros and cons. They have also mentioned that the families become nuclear due to the jobs and the businesses. The discussion has reached to the conclusion that the Nuclear families has upper hand with respect to the Joint families. Students had discussed on both the subjects and it has resulted to the satisfactory discussion. Still, there is a need to change the mentality of the society.
