## 4.2.1. Library is automated using Integrated Library Management System (ILMS)

The college has central library building. Library has a huge collection of Text books, Reference books and others books with foreign, peer-reviewed journals and bound volumes of journals. The reading room is well furnished to accommodate 75 students at a time and provides conducive environment for study. A visitor record is maintained for students and faculty members, New Arrivals of books and journals are displayed on rack. The library has under closed circuit television (CCTV) surveillance Cameras.

**M-OPAC:** The library has developed the database of its own collection through the library software. Library is fully computerized with barcode-based issue-and return process, online public access catalogue (M-OPAC) facility is made available on the mobile apps in the central library. M-OPAC which is used students and faculty member for search of books by Title, Author, Subject name etc.

**e-Resources:** The library is a member of N-list consortia of information library network (INFLIBNET) under this consortia library provides more than 3135000+ e-books and 6000+ e-journals to students and faculty member. Internet facility with computer system. CD's, DVD, CD-ROM databases, barcode scanner, printer, audio-video unit with LED TV is connected to the internet available in the library.

**Library Automation:** All the active book collection is update in the library software database and the online public access catalogue (M-OPAC) is available for students and faculty members. The issue and return of book have been activated in the library software.
