Notice

Date: 12/02/2026

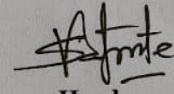

All the students of B. Sc & M. Sc Botany students are here by informed that, on the occasion of "National Science Day 2026" celebration, Department of Botany is organising "Medicinal Plants Exhibition" on date 28/02/ 2026 (Saturday) in the Department of Botany at 10.30am. It is compulsory, for all the students, to participate in exhibition. All students are suggested to bring one potted medicinal plant, with its botanical name, common name, family & 5 to 6 medicinal uses printed on A4 size paper. Best performing students will be honoured appropriately.

**“Medicinal Plant Exhibition”
Report (2025 – 2026)**

Department of Botany organised “Medicinal Plants Exhibition” on the occasion of “National Science Day 2026” on date 28/02/2026 for B. Sc. & M. Sc. students. The exhibition was aimed to create awareness about the importance of medicinal plants and their role in traditional and modern medicine and to educate students and visitors about the health benefits, uses, and conservation of various medicinal plants. The activity was inaugurated by Honourable Dr. Amit Bafna, Scientist, Neeri Nagpur. Our Principal, Dr. D. V. Hande sir was very kind enough to permit this activity. Dr. S. V. Satpute, Professor & Head, Department Botany also motivated students for this activity. The Convenor of the activity Dr. M. B. Bobade & organising members, Dr. P. J. Deshmukh, Prof. S. S. Sakhre guided the students about medicinal plants, their importance, & presentation. Total 45 students participated in the Medicinal Plant Exhibition. All the students brought one potted medicinal plant, with its botanical name, common name, family & its medicinal uses. Medicinal plants displayed by the students were *Ocimum sanctum* (Tulsi), *Azadirachta indica* (Neem), *Aloe barbadensis* (Korphad), *Curcuma longa* (Halad), *Achyranthes aspera* (Aghada), *Psidium guajava* (Peru), *Mirabilis jalapa*, (Ratrani), *Tinospora cordifolia* (Gulvel), *Clitoria ternatea* (Gokarn), *Adhatoda vasica* (Adulsa), *Cissus quadrangularis* (Hadjodi), *Moringa oleifera* (Shevga), *Tribulus terrestris* (Gokhru), *Vitex negundi* (Nirgudi), *Maduca indica* (Moh) etc. The exhibition was evaluated by Jury members Dr P. J. Deshmukh madam. Prizes were given to first three students for their presentation skills. Frist prize goes to Bhagyashri P. Salame B. Sc IIyr, 2nd prize Chetna Mogre M. Sc IIIyr, 3rd prize Mrudula Nimborkar B. Sc IIIyr & consolation prize goes to Kriti G. Dhurve B. Sc Iyr students. Certificates of participation were given to all the participating students. The Medicinal Plant Exhibition was highly informative and successful. It spread awareness about the importance of medicinal plants in our daily lives. Such exhibitions encourage the conservation and sustainable use of valuable plant resources for future generations.
