

Mahatma Fule Arts, Commerce & Sitaramji Chaudhari Science Mahavidyalaya, Warud

**National Conference on Recent Trends in Science and Technology
(NCRTST-2025)**

August 02, 2025

A Report Submitted By Department of Chemistry

Mahatma Fule Arts, Commerce & Sitaramji Chaudhari Science Mahavidyalaya, Warud organized National Conference on Recent Trends in Science and Technology (NCRTST-2025) on August 02, 2025. In this conference, Department of Chemistry played an active role in organising and delivering effective contents among the participant delegates. More than 110 participants of Chemistry including faculties, research scholars and PG students have registered for the conference.

Following the Inaugural function and Keynote address, the plenary session was jointly organised with Department of Chemistry and Physics. Dr. Pundlik R. Bhagat, Professor in the Department of Chemistry, Vellore Institute of Technology, Vellore, Tamil Nadu delivered the invited talk on "Role of Science for Innovations". He also shed light on Sir Acharya Prafulla Chandra Rai, scientist, literary figure, professor, industrialist and who is revered as the "Father of Indian Chemistry", was a pioneer and personality of modern chemical research in India, on the occasion of celebration of National Chemistry Day. The talk took place in the scheduled time from 1.30 pm to 2.30 pm in the Seminar Hall of New Building of the college. Dr. G. G. Muley, Professor from the Department of Physics, SGB Amravati University, Amravati chaired the session and Dr. P. S. Bodkhe, Associate Professor from the Department of Chemistry, Vidyabharti Mahavidyalaya, Amravati Co-chaired the session. Dr. D. V. Hande, Dr. R. P. Ganorkar and Dr. Y. S. Tamgadge welcomed and felicitated the guests. More than 150 participants along with students benefited from the session. Ms. A B Patil conducted the session.

After the lunch break, Department of Chemistry resumed for Oral and Poster presentations. Oral presentations took place in Seminar Hall of the new building and poster presentations took place in the second floor of the new building. Dr. P. R. Mandlik, Professor and Head, Department of Chemistry, Shri. Shivaji Science College, Amravati and Dr. N. H. Bansod, Associate Professor Shri. Shivaji Science College, Amravati served as Judge for the oral presentations. Dr. C. S. Bhaskar, Professor and Head, Department of Chemistry, Taywade

College Mahadula, Koradi and Dr. N. R. Thakre, Professor, Department of Chemistry, Shri. Shivaji Science College, Amravati served as Judge for the poster presentations. All judges were welcomed and felicitated by Chemistry faculty members and oral presentation session was conducted by Mr. S.R. Kolteke. Several participants presented their work in oral as well as poster presentations. The announcement of winners in oral and poster presentation done in valedictory programme by Dr. R. P. Ganorkar. Among them, Mr. Dewal S. Deshmukh from J. D. Patil Sangludkar Mahavidyalaya, Daryapur won the first prize from oral presentation and Ms. Arti N. Kumbhare, Research Scholler, PGTD of Chemistry SGBAU Amravati won first prize in Poster presentation. They were felicitated at the hands of guests in the valedictory function. The conference enhanced research collaboration among faculty and students, promoted interdisciplinary discussions, encouraged young researchers through presentations, and highlighted the legacy of Acharya Prafulla Chandra Ray while emphasizing innovation in science.
