“Career Opportunities for Chemistry Students”

Report

Shri Shivaji Education Society Amravati's, Mahatma Fule Arts, Commerce & Sitaramji Chaudhari Science Mahavidyalaya, Warud, Department of Chemistry organised Guest Lecture on the topic “Career Opportunities for Chemistry Students” in the Seminar Hall of the Mahavidyalaya. The program started with lighting the lamp and Pujan of Dr. Panjabrao Deshmukh and Mahatma Jyotiba Fule photos. The Guest speaker Dr. Sanjio Zade, was heartily welcomed by Principal Dr. G. N. Chaudhari, Head of Department Dr. U. E. Chaudhari and Convenor Dr. R. P. Ganorkar.

Dr. Sanjio Zade is Professor in Department of Chemical Sciences, Indian Institute of Science Education and Research (IISER), Kolkata. He was Post-Doctoral Fellow of Weizmann Institute of Science, Israel. Dr. Sanjio Zade delivered the lecture focused on Career Opportunities for Chemistry Students. He gave idea about Chemistry as a subject in general and demanding opportunities available for students in particular. This includes research and product development. Candidates who completed their higher education in Chemistry can choose the profession of being a Chemist. He emphasized the importance and scopes of the research in the real scenario. He also explained how good research will contribute to society and the nation as well.

Around 50 comprising students of PG in Chemistry along with the faculty members attended the lecture, and all the queries put forward by the students were categorically addressed by the expert. The audience found it very informative and quite relevant to their subjects. The lecture was concluded with a vote of thanks by Convenor Dr. R. P. Ganorkar. The program was actively supported by Dr. A. K. Wanjari, Dr. P. U. Belsare and Mr. V. N. Gulhane faculty members of Chemistry Department.
