

## Number of functional MoUs with institutions, other universities, industries, corporate houses, etc. during the year 2023-2024

**Spinks Impex**

### MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (this "Memorandum of Understanding" or this "MoU") is made and entered into w.e.f. 03/01/2022 by and between:

**SPINKS IMPEX**; the registered office situated at 88, Pace City-1, Gurgaon, Haryana, India-122002 ("The Company")

and

**Department of Physics, Mahatma Fule Arts, Commerce & Sitaramji Chaudhari Science Mahavidyalaya** ("The College/Institute") situated at Near Bus Stand, Warud, Dist. Amravati (MS)-444906.

This Memorandum of Understanding sets forth the understandings of the parties related to providing exposure to college students to LASER industry and providing optics research expertise to the company. This MoU shall remain effective for **FIVE YEARS** from the date of signatures of both parties and shall expire upon completion of the task/project/assignments assigned by the Company to the College/Institute, unless it is extended by written modification or a written agreement pertaining to the subject matter of this MoU.

1. Whereas, The Company is in the business of laser and Pad printing, welding process, laser marking, SPM automation etc. which it desires to provide training workshops (5 to 10 days) to the aspiring students of B.Sc. level (not more than 10 students) seeking working experience in the field of laser manufacturing, laser welding and laser printing so as to inspire them to pursue career in the field of laser.
2. Whereas, Department of Physics of Mahatma Fule Arts, Commerce & Sitaramji Chaudhari Science Mahavidyalaya, Warud has distinguished expertise in the field of optics and nonlinear optics.

**Regd. Office** : Plot No - 81, Pace City - 1, Sec - 37, Gurgaon, Haryana, India 122001

**Correspondence Office**: Khasra No.172-174,Village-Katha (baddi) Distt.Solan,Himachal Pradesh,India 173205

**Corporate Office** : Plot No - 135, Pace City - 1, Sec - 37, Gurgaon , Haryana , India 122001

**M** : +91 9210626626, **W** www.spinksworld.com, **E** : info@spinksworld.com

Spinks World desires to provide necessary inputs in the field of research and development of new automation systems at the Company.

**Spinks Impex**

3. **PURPOSE:** The purpose of this MoU is to set forth their understandings of the parties in relation to the terms and conditions to be agreed between the Company and the College/Institute in respect of the aforesaid assignment.
4. **UNDERSTANDING:** The parties set forth their understandings under this MoU with respect to the aforesaid assignment as follows:

The Company will ensure that a sufficient quantity of its resources/raw materials shall be provided to the College/Institute Students participating in Training Workshops (duration: 5 to 10 days) at the premises of the Company at its own cost.

The Company will provide the formula, scientific & technical support, knowhow & expected outcome of laser essentials to the students of College/Institute.

The company will award the certificates to all the students participating in the training workshop and also to the College/Institute.

The expenditure towards lodging/boarding/local expenses shall be borne by the participating students/College/Institute.

Research expertise in optics available with Dr. Y. S. Tamgadge, Assistant Professor & Head, Department of Physics of Mahatma Fule Arts, Commerce & Sitaramji Chaudhari Science

Mahavidyalaya, Warud shall be provided to the Company for new product design and development, its solution and inputs towards customer satisfaction.

**Regd. Office :** Plot No - 81, Pace City - 1, Sec - 37, Gurgaon, Haryana, India 122001

**Correspondence Office:** Khasra No. 172-174, Village-Katha (baddi) Distt.Solan, Himachal Pradesh, India 173205

**Corporate Office :** Plot No - 135, Pace City - 1, Sec - 37, Gurgaon , Haryana , India 122001

**M :** +91 9210626626, **W** www.spinksworld.com, **E :** info@spinksworld.com

IN WITNESS WHEREOF, by their signatures below, the parties have caused this Memorandum of Understanding to be executed and effective as of the Effective Date.

### MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (this "Memorandum of Understanding" or this "MoU") is made and entered into w.e.f. 30/03/2022 by and between:

**BITS CONTROL AND SOLUTIONS**; the registered office situated at Plot No: J- 237/2, MIDC, Bhosari, Pune, Maharashtra - 411026 ("The Company") and

**Department of Physics, Mahatma Phule Arts, Commerce & Sitaramji Chaudhari Science Mahavidyalaya** ("The College/Institute") situated at Near Bus Stand, Warud, Dist. Amravati (MS)-444906.

This Memorandum of Understanding sets forth the understandings of the parties related to providing skill based industrial training to the Physics students of Institute. This MoU shall remain effective for **FIVE YEARS** from the date of signatures of both parties and shall expire upon completion of the task/project/assignments assigned by the Company to the College/Institute, unless it is extended by written modification or a written agreement pertaining to the subject matter of this MoU.

1. Whereas, The Company is in the business of Project planning, Development, Manufacturing and Services which it desires to provide industrial training (2 weeks) to the aspiring students of B.Sc. level (not more than 10 students) seeking working experience in this field.
2. **PURPOSE:** The purpose of this MoU is to set forth their understandings of the parties in relation to the terms and conditions to be agreed between the Company and the College/Institute in respect of the aforesaid assignment.
3. **UNDERSTANDING:** The parties set forth their understandings under this MoU with respect to the aforesaid assignment as follows:

## Bits Control and Solutions

S.N.-42/02/05, Krushnai Colony, Opp: Vimal Garden,  
Rahatani, PUNE-411017.

The Company will ensure that a sufficient quantity of its resources/raw materials shall be provided to the College/Institute Students participating in industrial training (2 weeks) at the premises of the Company at its own cost.

The Company will provide the minimum training to work on the following instruments/machines:

**Production machine equipments:**

1. Turret milling machine
2. Milling machine
3. Lathe machine
4. Surface grinding machine

**Quality instruments:**

1. Digital height gauge
2. Digital vernier caliper
3. Bore gauge

**Control and Electricals:**

1. Programmable logic controller
2. Ladder programming
3. Contactor, Relays and switchgears

The company will award the certificates to all the students participating in the training workshop and also to the College/Institute.

The expenditure towards lodging/boarding/local expenses shall be borne by the participating students/College/Institute.

IN WITNESS WHEREOF, by their signatures below, the parties have caused this Memorandum of Understanding to be executed and effective as of the Effective Date.

**F) Preamble**

Whereas, Mahatma Fule Arts, Commerce and Sitaramji Chaudhari Science Mahavidyalaya, Warud, Dist-Amravati, Maharashtra is one of the premier institution of Arts, Commerce and Science education and research in the country. Department of Chemistry was established in 1971-72 with dual objective for providing trained manpower for rapidly expanding chemical and pharmaceutical industries. Department of Chemistry made significant progress in realization of these objectives. The department offers three-year degree course, two-year M.Sc. Chemistry course and Ph.D course. The department equipped with modern facilities for effective practical training of the students. The department every year has ongoing project program for P.G. students in medicinal chemistry, nanomaterials, organic synthesis, adsorption chemistry, polymer chemistry and product development. Students passing out from this department are being readily accepted in the industry and many of them have taken up research/teaching assignment in INDIA.

Whereas, ASR Laboratory, Aurangabad is engaged in manufacturing of solvent purification, development of API molecule etc It involves Research & Development as well as human resource development in a wide range of topics in chemistry.

Whereas, it is highly desirable to develop multidisciplinary training and research through involvement.

Both the parties felt that a sustained, synergetic and effective collaboration between Department of Chemistry and ASR Laboratory, Aurangabad will enhance the strength and add value to the efforts of each party.

The parties thereof agree on the following broad objectives.

**G) Broad Objectives**

- 1) To develop synergetic collaboration in are source sharing and knowledge sharing environment in a various area of science and technology.
- 2) To share expertise in training and other academic activities through joint organization of events.
- 3) To design and develop outreach activities and programs for various mutually identified goals of department of chemistry and ASR Laboratory, Aurangabad.
- 4) To develop collaboration in laboratory and equipment sharing as well as publications and patent (if any).

**H) Mode of Operation**

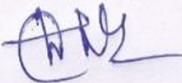

Both parties will provide necessary support for effective implementation of the MoU within the institutional rules and procedures.

- 1) This MoU shall be effective from the date of it is signed by both the parties.
- 2) Within the broad academic framework of the MoU ASR Laboratory, Aurangabad and Department of Chemistry can develop academic or scientific programs, training of students and organization of events.
- 3) Any financial commitment for joint activity under this MoU shall be subject to the approval of the competent authority of the respective organizations.
- 4) The visitors will be bound by the rules and regulations as well as code of conduct of the host institution.

**I) Duration and Termination**

- 1) This shall be remained in force for a period of five years from the date of signed, where of it may be renewed automatically for an extended for two years' period unless any of the parties seek termination in writing.

Scanned with OKEN Scanner

  
**PRINCIPAL,**

(Programs- B.SC Computer, Electronics M.SC - NAAC Reaccredited)

Founded in 1932 by Shikshan Maharshi Dr. Panjabrao alias Bhausaheb Deshmukh, the Society made a modest beginning by taking over Shri Shivaji Maratha High school and its hostel. Today, it is by far the biggest Educational Society in Central India, running college and training centers, schools and kinder-gardens, hostels, numerous workshops, extension services, printing press, gymnasias, health clubs and a host of other facilities totaling about 265 in the services of the community at large, along with a 150 bed hospital and Medical Research center.

Fully computerized Administrative section is always there to help students. We believe in providing quality education to students, So we have introduced many a career oriented courses for the benefit of the students. Apart from regular courses, a study centre of YCMOU, Nasik is there for the external students. The college has celebrated its Golden Jubilee last year, which was a well deserved landmark for us. A workshop on farmer's suicide has already been organized in the college along with many other workshops and Conferences.
