Say No To Plastic

2024-2025

Our Department of NCC organises different activities in whole year. In this academic year 2024-2025, the NCC Department successfully conducted nice activity i.e. 'Say No To Plastic Bags' and promoted the use of 'Cotton Bags' as alternatives to plastic bags. We all know about increasing demand and used of Plastic bags which concerns the environmental pollution and the different issues associated with plastic bags. Thus, the NCC Department took an active role in this initiative and conducted the activity on 11/01/2025. The Department distributed cotton bags as a superior alternative to plastic bags among individuals both within the college and in the surrounding community and market. This effort aimed to raise awareness about the health and environmental risks linked to the use of plastic bags. All NCC students participated enthusiastically and actively in this event. The NCC Cadets distributed approximately 40 cotton bags in markets to shopkeepers, hawkers, fruit seller and among peoples. This initiative represents one of the significant and best practices that our NCC Department implemented. This activity contributes in reducing the harmful and dangerous effects of using plastic bags. Thus this activity encourages the society to adopt eco-friendly cotton or cloth bags instead of Plastic. Through this collective effort, we can all contribute to minimise the environmental pollution issues caused by the use plastic bags.
