Department of Chemistry

Best Practice

**'Say No To Plastic Bags'**

2024-2025

Our Department of Chemistry organized various Activities every year. In the Year 2024-2025 the Department organized activity i.e. 'Say No To Plastic Bag' and 'Used Cotton bags' as an alternative for 'Plastic bags' Successfully. As we all are aware about the Environmental Pollution, Plastic bags problems that are increasing day by day, So Department actively participated and conducted this activity on dated 17/04/2025 nicely. Department distributed Cotton bags as a best alternative for Plastic bag among the People in College and outside the college Campus. So, the People become aware about the health and environmental hazards caused due to use of this Plastic bag. All P.G Students of Chemistry Department actively participated in this activity and they distributed approximately 35 Cotton bags.

This is one of the important best Practice that our Chemistry Department conducted every year. So, this helps us to limit the use of dangerous, Pollution causing plastic bags, and in place of that People aware to use Eco-friendly cotton/Cloth bags. So with this, we all people can help and support to reduce the problems of Environmental Pollution, due to plastic bags.
