REPORT ON SCHOOL CONNECT 2.0

Date: 11/03/2026

Objectives Of the Campaign

- To bridge the gap between secondary school and higher education by fostering career readiness, digital literacy, and awareness of NEP 2020
- Equipping students with knowledge, skills, and confidence, including career counseling to help identify passions and future paths.
- Introducing the National Education Policy 2020 features, including multiple entry/exit options, academic bank of credits, and multidisciplinary learning.
- Connecting schools with higher education institutions and industries, providing exposure to skill-based education, internships, and apprenticeships.

Event Details:

The School Connect 2.0 Programme is an awareness initiative conducted by universities and colleges under the guidance of the Government of Maharashtra and higher education authorities. The program aims to connect school students with higher education institutions and inform them about new educational opportunities introduced under the National Education Policy (NEP) 2020. It mainly targets students of Class 12, helping them understand modern educational reforms, career options, and skill-based learning opportunities.

The initiative was launched as a part of a statewide campaign to increase awareness about higher education pathways and improve student participation in higher education. Through interactive sessions, lectures, and discussions, students gain knowledge about the changing structure of education in India and the benefits provided by the NEP

For the effective implementation of the campaign and specially reach to the rural students, Mahatma Fule Arts, Commerce and Sitaramji Chaudhari Science College Warud

organized School Connect 2.0 program to its own college for 12th students on the dated 11/03/2026. The program was initiated by the Pujan and followed by floral welcome. NEP 2020 Master trainer Dr. Atul Wanjari deliver a talk of School connect 2.0, NEP 2020 to the students present in the auditorium. He explains fundamental of NEP 2020 in details followed by the Credit-based systems, Vocational education and internships, research and innovation.

Dr. Atul Wanjari also express the communities of scholars and peers, break down harmful silos, enable students to become well-rounded across disciplines including artistic, creative, and analytic subjects as well as sports, develop active research communities across disciplines including cross-disciplinary research, and increase resource efficiency, both material and human, across higher education.

The School Connect campaign has effectively transformed Warud taluka under the leadership of Principal of the college Dr. D.V. Hande into vibrant learning ecosystems aligned with the vision of the NEP 2020. Dr. D.V. Hande express his view to students in creativity and critical thinking to encourage logical decision-making and innovation. Aim of the college to develop good, thoughtful, well-rounded, and creative individuals. It must enable an individual to study one or more specialized areas of interest at a deep level, and also develop character, ethical and Constitutional values, intellectual curiosity, scientific temper, creativity, spirit of service

Key Topics Discussed
