

A) Safety and security

Safety and security of all the students, teachers, non-teaching staff and the visitors to the college is always the first priority. To ensure a safe campus and a secured environment the college has embarked upon the following initiatives:

- A senior and experienced security guard
- The entire campus is under CCTV surveillance
- Emergency exit staircase connecting the First floor and the Second floor of the building.
- All the electrical switch boards, air- condition machines, fans and tube-Lights are repaired regularly.
- A Grievance Redressal Box for the students
- Mahila Sabalakaran & Sakshmikaran, Cell to address issues on sexual Harassment within the campus.
- Medical Unit with free medical check-up for the students by eminent Doctors.
- Maintenance of a FIRST-AID Box by the office.
- Separate washrooms for the Boys and Girls
- Separate washrooms for the male and female teaching and non-teaching Staff.
- Separate waiting corner for the visitors
- Distinct code of conduct for the students teaching and non-teaching staff.
- Pure RO Water is Available for Students and Staff.
- Regular Check-up of Hemoglobin/RBC/Blood Group by Department of Zoology.

B) Counselling

The College is willing to nurture a healthy environment, both physical health and the health of the young minds. A separate Carrier counselling Cell has been started.

- The counselling cell always aware make an effort to create awareness regarding their carrier, psychological and physical conditions.
- Every year the workshop is organized for personality development of the students by various experts.
- Academic counselling of students by admission and counselling committee at entry level.

- The principal and coordinator of committee address newly admitted students and meeting with the students regarding academic information's and discipline of the college.

C) Common Rooms

The College has a girl's common room. It has an electric sanitary napkin vending machine installed. There are separate toilets for gents, teaching staff and students. Specific cleaning schedule is given to the house keeping people and followed meticulously. The girl's hostel is managed by the hostel committee, constituted by the staff council of the college and executed by the warden in consultation with principal of the college.

D) Day care center for young children

The Centre recognizes that young child care is not just the responsibility of women and families but also of institutions in the public sphere like the College where workers/students, especially women who are also parents are constrained by the simultaneous responsibilities of childcare and work. Hence the College has provided for the Day Care Centre on the campus so that all the staff can access its services.
