

Report on International Women's Day Celebration

International Women's Day is celebrated on March 8th every year to celebrate the social, economic, cultural, and political achievements of women, as well as to raise awareness of the ongoing struggle for gender equality. The day also provides an opportunity to advocate for women's rights and to reflect on the progress that has been made toward gender equality. On this occasion the internal complaint committee and women's development committee of college organized a guest talk on 8th March 2023 for increasing motivation and confidence of female students as well as faculty members.

During the event, Advocate Priyanka Dhutale addressed that there should be a balance between career and family and without a family support a women can't achieve success, also addressed that girls should know their right to defend themselves and be careful against crimes against women. Further she said, gender equality is very important for a healthy society.

The president of the event Principal Dr. G.N. Chaudhari talked about women's rights in every aspect of life. He also advised the girl students to be career conscious and economically independent.

The internal complaint committee coordinator Prof. Dr. N.A. Bodkhe introduced the guest. Whereas Women development committee coordinator Prof. M.R. Umekar ended the program with vote of thanks. Similarly, she also thanked all the 100 girls' students who present in the program.
