## ( PROGRESS REPORT )

### 1. Activities reflecting the goals & objectives of the institution

The goals and objectives of our Institution were spelt out long ago by the founder President of the Shri. Shivaji Education Society, Amravati, Dr. Panjabrao Alias Bhausahab Deshmukh . ‘ Let us work hard’ he has said for the comprehension of scientific facts , for the greatest good for the country. We shall bridge the gap that exists between the laboratories and the fields. “ The farmer for Bhausahab was the visible face for the destitute, unprivileged Indian who toiled on the farms and in factories, sunk in superstition ; he carried the burden of an exploitative society on his frail shoulders”.

Our mission , then is to provide the strength to the arms and mind of this Indian with the transforming force of education , to create a scientific temper which kills fear and quickens curiosity. We are alert to the double – edged nature of youthful energy and are committed to harness their boundless enthusiasm and creativity for the mammoth task of nation building.

We are in mission and have created a facility for achieving excellence in education through the application of basic science and state of the art technologies. We are committed to encourage research and to upgrade our tools and to place our society at the cutting edge of progress.

Ours is the premier institution imparting education to the students of rural areas. The college takes special care for the academic achievement, personal growth and professional development. The college makes continuous efforts to achieve greater height of excellence in keeping with the expectations reposed by the society upon it.

We provide a wide range of programme options and courses to cater to the needs of the fast changing world. In 1960 there were only three optional subject in the Arts faculty. At present there are seven optional subjects namely, Political science, Economics, Philosophy, English Literature, Marathi Literature, Home-Eco.& Functional English . In 1971 the Science and Commerce streams were introduced in the college. In science streams besides the traditional subject like Physics, Chemistry, Mathematics, Botany &

Zoology, the vocational subject Electronics was introduced as one of the optional subject for B. Sc. In 1985. Then Computer science is added. Education facilities are extended by providing M. A. to Marathi, English & Economics. Under COP of UGC, Biomedical Lab. Tech. & ICT are introduced.

## **2. New academic programmes initiated ( U.G. & P. G. )**

### **( PROGRESS REPORT )**

#### **1. Activities reflecting the goals & objectives of the institution**

The goals and objectives of our Institution were spelt out long ago by the founder President of the Shri. Shivaji Education Society, Amravati, Dr. Panjabrao Alias Bhausahab Deshmukh . ‘ Let us work hard’ he has said for the comprehension of scientific facts , for the greatest good for the country. We shall bridge the gap that exists between the laboratories and the fields. “ The farmer for Bhausahab was the visible face for the destitute, unprivileged Indian who toiled on the farms and in factories, sunk in superstition ; he carried the burden of an exploitative society on his frail shoulders”.

Our mission , then is to provide the strength to the arms and mind of this Indian with the transforming force of education , to create a scientific temper which kills fear and quickens curiosity. We are alert to the double – edged nature of youthful energy and are committed to harness their boundless enthusiasm and creativity for the mammoth task of nation building.

We are in mission and have created a facility for achieving excellence in education through the application of basic science and state of the art technologies. We are committed to encourage research and to upgrade our tools and to place our society at the cutting edge of progress.

Ours is the premier institution imparting education to the students of rural areas. The college takes special care for the academic achievement, personal growth and professional development. The college makes continuous efforts to achieve greater height of excellence in keeping with the expectations reposed by the society upon it.

We provide a wide range of programme options and courses to cater to the needs of the fast changing world. In 1960 there were only three optional subject in the Arts faculty. At present there are seven optional subjects namely, Political science, Economics, Philosophy, English Literature, Marathi Literature, Home-Eco.& Functional English . In 1971 the Science and

Commerce streams were introduced in the college. In science streams besides the traditional subject like Physics, Chemistry, Mathematics, Botany & Zoology, the vocational subject Electronics was introduced as one of the optional subject for B. Sc. In 1985. Then Computer science is added. Education facilities are extended by providing M. A. to Marathi, English & Economics. Under COP of UGC, Biomedical Lab. Tech. & ICT are introduced.

## **2. New academic programmes initiated ( U.G. & P. G. )**
